

How to Donate Securities to Museum of Discovery

Thank you for your interest in donating securities to the Museum of Discovery. It is usually beneficial to give appreciated securities since you bypass any capital gains tax due had you sold them and you receive a charitable deduction for their fair market value. Consult your personal tax advisor to see if this is a good option for you.

Everything you need is included here. If you have questions or would like our help in the process, please call the Museum of Discovery's Development Department at 501-396-7050 Extension 212.

Your charitable deduction will be the median market value on the date of the gift. The legal gift date for certificates mailed is the postmark date on the envelope. For securities wired into our account, the legal gift date is the day they are received in our account.
